

ORCHESTRA UNIFORM ORDER FORM

The pants do not come hemmed. You will be responsible for the hemming. The girls pants have elastic waists and the shirts have 3 quarter length sleeves. I will call when the uniforms arrive. Please make checks out to Highland Orchestra Boosters. If there is any problems or questions please call me at 838-2806 or email me at carri_indiana@yahoo.com. I have taken all the 7th grade measurements and anyone who thought they needed new uniforms. I send the company the measurements and they send the correct sizes. The prices include the shipping. There is no tax. There is an extra charge for girls sizes over 18 and for boys over 40

Thanks, Carri
